No vans, trailers or other vehicles will be permitted to enter the showgrounds for any purpose while the show is in progress during Junior Weekend 5/24-5/26.

- The State of Pennsylvania requires that all horses must be in possession of a current negative Coggins certificate (EIA) dated within the previous 12 months. The Devon Horse Show and Country Fair will not accept or process any animal whose negative Coggins certificate, or copy thereof (issued after June 4, 2017) does not accompany the horse. The show may retain a copy for its records. **US Equestrian Equine Vaccination Rule GR845. Please fill out a Biosecurity Form on page 27 before arrival at the show.**
- Stalls are all permanent stabling. Stalls are approximately 9' X 9' and 10' X 10' with doors.
- Due to limited stabling facilities, the Committee may find it necessary to decline assigning stalls to animals entered in only one performance class, or where the entry is being shown in hand or breeding classes only. No stall can be allotted for a horse not entered in the show. No stalls can be allotted to Leadline, Parent & Child, Family Class or Hunt Team horses.
- Side Saddle, Hunter Breeding and Pleasure Drive will be allotted OVERNIGHT stalls only. Local Hunters will not be allotted overnight stalls (see Local Weekend stabling information below).
- Due to limited parking, all exhibitors planning on shipping in and out daily should be prepared to park a considerable distance from the grounds. We encourage these exhibitors to order overnight stalls.
