Devon Horse Show and Country Fair Statement Regarding COVID-19

Devon, Pa. - March 17, 2020 - The 2020 Devon Horse and Country Fair is closely monitoring information regarding the Coronavirus (COVID-19) outbreak. The safety and welfare of our exhibitors, staff and attendees is our top priority. While the current number of cases in the United States is low, we recognize the growing concerns of the community. Our committee continues to review the communications on this illness issued from the Center for Disease Control and Prevention (CDC), the World Health Organization (WHO), the U.S. Department of State, U.S. Department of Homeland Security, USEF, FEI and other regulatory organizations.

While this is a fluid situation, the competition is scheduled to occur May 21 - May 31 and will continue as planned. In an abundance of caution, until April 15th all meetings and activities of 10 or more persons will occur via teleconferencing. Meetings and activities that cannot be held via teleconferencing will be rescheduled. Meetings of less than 10 persons will be held according to established policies including but not limited to social distancing. We will continue to closely monitor the events and changes as it relates to the Devon Horse Show and Country Fair. We have pledged to provide appropriate safeguards and will keep everyone informed if there are any changes.
