“This book is designed to memorialize the past and preserve some of our magnificent history and traditions for future generations to enjoy and reflect. Just as the cancellation of the show during World War II infused new life into this organization, we return in 2021 grounded in our history with a renewed purpose to make Devon the ultimate experience for our competitors, volunteers, supporters and spectators. Devon will go on. Our future is bright and our traditions remain strong. Please join us in celebrating our history and our future on this wonderful 125th anniversary.”
