SPORTSMANSHIP: Exhibitors are notified that any act of discourtesy or disobedience to the Judges or Officials on the part of any owner, rider, driver, trainer or groom may disqualify the horse, and the owner will forfeit all entry and other fees. The Committee reserves the right to prohibit any person from attending or showing a horse and to remove any horse, owner, rider or groom from the Show without being liable for compensation. The Committee will not be responsible for any accident which may occur to any rider, driver, trainer, groom or attendant, animal, carriage or equipment at the Show. Should any questions arise that are not provided for in the rules, the same will be referred to the Show Committee whose decision will be final.

WELFARE: Upholding the welfare of the horses being exhibited in the Devon Fall Classic is of primary concern to the Devon Fall Classic Committee. We require that all horses be treated with the kindness, respect and compassion they deserve and should never be subjected to mistreatment. Exhibitors, owners, trainers, grooms, or their agents must use reasonable care in the handling and treatment of the horses owned by them or placed in their care for competition or any other purpose. We will provide continuous well-being of the horse by vigorously enforcing the rules of US Equestrian which pertain to the welfare of the horse. Exhibitors are cautioned that Article 830 and HU102 will be narrowly interpreted. Violators will be automatically penalized by the elimination of the horse involved from the class in which it is participating and the next succeeding class in which it is entered. All such violations will be recorded in the US Equestrian Stewart's Report and be reviewed by the Hearing Committee for such action as may be deemed appropriate.

USEF MOTORIZED VEHICLE RULE

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

SAFE SPORT: All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for Safe Sport training requirement to be eligible to participate in the competition. All participants must adhere to the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention Policies. More information about these can be found at www.usef.org.

PROTECTIVE HEADGEAR: It is compulsory for all persons at Federation licensed hunter, jumper, or hunter/jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured.

Show Jumping Hall of Fame Jumper Classic Series

The Show Jumping Hall of Fame Jumper Classic Series is designed to give amateur-owner and junior riders an opportunity to compete at higher levels and serves as a proving ground for many riders who aspire to someday represent the United States in international competition.

With classes at approximately 100 horse shows across the country, the Series hosts separate junior and amateur-owner divisions in two Conferences—East and West.

Series standings are used to help determine junior and amateur-owner entries for the National Horse Show and the Las Vegas National Horse Show.

Series winners receive year-end awards, and the Series offers Year-End Championship Finals for junior and amateur-owner riders at the National Horse Show and the Las Vegas National Horse Show.

Any horse show offering a class that meets all the criteria set forth in the Series specifications and has prize money of at least \$1,000 is eligible to be part of the series.
