# RiverEdge Farm

Chesapeake City, Maryland

*Rarely... does such a unique, well designed, constructed, and maintained world-class equestrian facility grace the international real estate market.*

Spanning 510 preserved acres, this iconic equestrian estate boasts a rich legacy and unparalleled amenities, including a state-of-the-art equestrian training facility built by B&D Builders, a nationally renowned custom builder. RiverEdge Farm is synonymous with world-class equestrian training, ideally suited to any discipline. The farm has previously housed numerous Olympic dressage and three-day event horses, operated as a top-class private thoroughbred breeding facility, and most recently served as a training mecca for world-class dressage. At the heart of the property is a spectacular 31-stall, 45,000-square-foot indoor arena and show barn. Built with unmatched craftsmanship and old-world charm second to none.

Overlooking the 100' x 200' indoor arena are stunning glass-enclosed observation areas on both the first and second floors. This impressive space includes twin service bars, a conveniently located commercial-grade kitchen, and a spacious area ideal for entertaining. An ornate, wide-plank staircase leads to a lofted second level with private office suites, an exercise room, and a lounge area.

Complementing the equestrian facilities is a beautifully appointed 9,000-square-foot brick manor home of Georgian architectural style, offering five bedrooms and three full and two half baths. This wonderful home features an updated kitchen, brick and antique wood flooring, beamed ceilings, a sunken living room, multiple fireplaces, a spacious game room, and a detached three-car garage.

The extensive grounds are thoughtfully and professionally landscaped. It artfully blends traditional character with modern conveniences—perfectly suited for today's lifestyle. Also included within this breathtaking property is a luxurious guest home featuring a chef's kitchen and an enclosed timber-framed pavilion over a heated indoor pool.

Additionally, there is a 15-stall center-aisle block barn with a six-horse Kraft Eurocizer, as well as numerous ancillary operational buildings, including a fully functional brick office building, and numerous double-fenced fields and paddocks with approximately 10 miles of four-rail post-and-board fencing offering unparalleled views throughout the farm.

RiverEdge is set within one of Maryland's largest agricultural preservation areas and is protected by a conservation easement, ensuring its beauty and legacy for generations to come.

*A must see property for unlimited equestrian disciplines.*

# Human care means seeing our neighbors.

We deliver more than healthcare—we deliver human care. Because treating our neighbors is the most honorable thing we'll ever do.
