About Us

- The Devon Horse Show & Country Fair (DHSCF) is America's oldest and longest-running multi-breed outdoor competition in North America. It has achieved the highest rating afforded by the governing organization, US Equestrian Federation (USEF). The annual event attracts an impressive crowd of over 125,000 attendees, and it features a thrilling competition with more than 3,400 horses vying for a share of nearly \$1 million in prize money.
- Held annually since 1896, Devon is a community fixture and a global tradition. With the storied grandeur of Philadelphia's Main Line setting the stage, we invite you to join us as we celebrate the Devon legacy and carry it on for generations to come.

OUR LEGACY

Our organization brings together world class equestrians and the local Main Line community in a celebration of athletic competition, philanthropy and fun. For many, DHSCF is a family tradition that spans generations and marks the start of summer. In 2026 the 12-day show will commence Wednesday, May 20th and go through Sunday, May 31st. Whether it is traditional tea sandwiches or the chance to see champions competing in the ring—there is something truly unique about DHSCF that no other horse show can replicate.

THE DEVON DIFFERENCE

DHSCF is a renowned Federation of Equestrian Sports (FEI) Competition. It attracts an international audience representing many nationalities. The event's global exposure and sophistication is of tremendous value to event sponsors and vendors. With the event broadcasted across the World to over 57 different countries, this is the perfect opportunity for high-level brand exposure. Along with the affluent residents of Philadelphia's western region and the Main Line DHSCF attracts a unique and diverse crowd, encompassing all types of audiences that are valuable for your brand.

Sponsorship also demonstrates a willingness to help promote an extraordinary event that benefits Bryn Mawr Hospital, one of the oldest and most respected hospitals in Philadelphia. The Devon Horse Show Foundation is a 501(c)(3), nonprofit*. The organization is operated to perform the charitable and educational purposes of the Devon Horse Show and Country Fair, Inc. It also supports the maintenance and improvement of the historic Devon Horse Show grounds to ensure its position as one of the premier equestrian event facilities in the world.
