

Updated Health Entry Requirements for 2026 Devon Horse Show

The Devon Horse Shows is pleased to share updated information regarding horse health entry requirements for the 2026 show season. All required horse health documents may now be submitted through EventPass by EquiTrace prior to arrival. To get started, create your FREE EventPass Lite account and upload your documents here:

<https://equitrace.app/eventpass>

You may also access EventPass by EquiTrace through the App Store or Google Play Store.

Required Horse Health Documents that may be uploaded to EventPass:

1. Negative Coggins Test
 - a. Required for all horses (in-state and out-of-state)
 - b. Must be valid within 12 months of arrival
2. Vaccination Requirements
 - a. Horses must comply with standard USEF GR844 Flu/Rhino vaccination rules
 - b. *NEW REQUIREMENT* Health Certificate (Certificate of Veterinary Inspection)
3. Out-of-state horses: Must be issued within 30 days of arrival

The Devon Horse Show asks that all horses have a temperature log kept beginning three (3) days prior to arrival and throughout the competition. This information need not be uploaded to EventPass, but should be readily available on-site if inspection is needed.

Preparing for Arrival

To help ensure a smooth check-in process at the office, please create your FREE EventPass Lite account, add your horses using their USEF number, upload all required documents to EventPass, and create your EventPass for the Devon Horse Show before arriving on the show grounds.
